NOW HIRING

The Multi-County Juvenile Attention System maintains a work environment that promotes diversity, embraces change, and provides leadership opportunities to every team member. We are highly recognized and reputable in the juvenile justice field, being the first and only multi-county agency of its kind in the country and are seeking highly motivated individuals to help take us further.

We offer competitive salaries and advancement opportunities, participation in the Ohio Public Employee Retirement System, Deferred Compensation Plan, Excellent Health Care Benefits, Dental plan, Life Insurance, Direct Deposit, Sick and Vacation Time Benefits, Comp Time benefits as well as meals and coffee provided on each shift.

Responsibilities:

Oversee the day to day activities of court ordered juveniles in a minimum, medium, or maximum security environment. Working as part of the team to develop and implement individual service plans of residents and serve as a point of contact, maintaining productive relationships with parents, courts and Children's Service Agencies. **Site specific training will be provided to all employees.**

Qualifications:

High school diploma or equivalency/experience required. Bachelors or Associates degree in a related field is preferred. Submit to a drug screen, Criminal Background Check, Physical Examination, and Sexual Abusers Screen. Be at least twenty-one years of age and maintain a valid driver's license.
